Dear Ms. Jones:

I am writing to commend you for your great kindness in collecting plastic caps for Les Bouchons d'Amour. Providing wheelchairs and trained service dogs for disabled children is a very laudable goal. Knowing that you are making their lives so much better is a fitting reward for your work. No one is more deserving of our compassion and concern than children in need.

It is heartening to know that someone with your determination to help children is working in Palm Beach County. I wish you continued success with your project. You are an excellent role model, the kind of person to whom everyone can point with respect and admiration. Thank you for all you do to make our world a better place. I'm proud of you!

Sincerely,

A handwritten signature in black ink that reads "Alcee L. Hastings". The signature is fluid and cursive, with the first name "Alcee" being particularly prominent.
